

Council on Community Pediatrics

The **Council on Community Pediatrics** invites community pediatricians and anyone who would like to learn more about Community Pediatrics to attend the **Community Pediatrics events and programs** at the American Academy of Pediatrics 2008 National Conference and Exhibition in Boston, MA.

Awards & Networking Events

Community Pediatrics Reception & Poster Session

Saturday, October 11, 2008 (6:00pm-7:30pm)

Location: TBD

This annual event celebrates the accomplishments of pediatricians working in their communities to improve children's health. Join us this year to help celebrate the **15th Anniversary** of the CATCH grant program. All conference attendees are welcome to attend. This event is sponsored by a grant from Wyeth. No tickets or pre-registration is required.

Annual Community Pediatrics Awards Luncheon

Sunday, October 12, 2008 (Noon-2:00pm)

Location: TBD

Join the Council on Community Pediatrics as we honor pediatricians who have made outstanding contributions to children's health through Community Pediatrics. For more information about this award and other COCP awards please visit <http://www.aap.org/sections/socp/awards.html>. The lunch is complimentary to Council on Community Pediatrics members, but seating is limited to 100 guests. **Pre-registration is required.** If you are interested in attending, please contact Nancy Levin at nlevin@aap.org.

Special Interest Group Networking Breakfasts

Monday, October 13, 2008 (7:00am-7:45am)

Locations: TBD

SIGs promote educational and networking opportunities for Council on Community Pediatrics members with interests in the following areas:

- Community Pediatrics Education and Training (*Location: TBD*)
- Prevention and Public Health (*Location: TBD*)
- Rural Health (*Location: TBD*)

Breakfast is free to SIG members and those interested in learning more about the work of the SIGs. RSVP to nlevin@aap.org indicating which SIG breakfast you would like to attend.

Indian Health Special Interest Group Luncheon

Monday, October 13, 2008 (Noon-2:00pm)

Location: TBD

Dr Perri Klass, Medical Director of Reach Out and Read, will be sharing information about the new Reach Out and Read American Indian/Alaska Native Coalition, and will provide a train-the-trainers session on Reach Out and Read during the Indian Health Special Interest Group luncheon. To RSVP for this event, please send an email to indianhealth@aap.org.

Section on Early Education and Child Care Educational Program & Networking Dinner

Sunday, October 12, 2008 (1:00pm-8:00pm)

Location: TBD

This program will underscore the importance of pediatricians partnering with child care professionals to implement evidence-based initiatives. The areas of social-emotional health in child care, disaster preparedness, and the latest research in safe sleep practices will be highlighted. A ticketed dinner will follow the program.

Community Pediatrics Educational Programs

Oral Health in the 21st Century: Something to Smile About: Pediatrician's Role in Oral Health (C6005)

Friday, October 11, 2008 (Noon-5:30pm)

Location: TBD

This session will focus on pediatric oral health issues related to the science of oral health disease, family dynamics of the disease, future approaches to therapy, relationship to child well-being, intervention, and much more!

The Impact of the Pediatrician on Early Brain Development (H3014)

Monday, October 13, 2008 (8:00am-4:45pm)

Location: TBD

This program will examine the science, economics, and politics around early brain development. A poster session will provide an opportunity to speak directly with individuals highlighting community resources for supporting early brain development. For more details visit www.aap.org/sections/socp/education.html.
