

# Pediatric Environmental Health, Second Edition

Ruth A. Etzel, MD, PhD – *Editor*

Sophie J. Balk, MD – *Associate Editor*

## List of Chapters

---

### I. Introduction and Background

1. Introduction
2. Developmental Toxicity: Special Considerations Based on Age and Developmental Stage
3. Breastfeeding
4. How to Take an Environmental History
5. How to do a Home Inventory of Environmental Hazards

### II. Chemical and Physical Hazards

6. Air Pollutants, Indoor
7. Air Pollutants, Outdoor
8. Arsenic (*new in 2nd Edition*)
9. Asbestos
10. Carbon Monoxide
11. Electric and Magnetic Fields
12. Endocrine Disruptors
13. Environmental Tobacco Smoke and Smoking Cessation
14. Food Contaminants
15. Gasoline and its Additives (*new in 2nd Edition*)
16. Herbs, Dietary Supplements, and Other Remedies
17. Ionizing Radiation (Including Radon)
18. Irradiation of Food (*new in 2nd Edition*)
19. Lead
20. Mercury
21. Nickel, Manganese, and Chromium (*new in 2nd Edition*)
22. Nitrates and Nitrites in Water
23. Noise
24. Pesticides
25. Polychlorinated Biphenyls, Dibenzofurans, and Dibenzodioxins
26. Ultraviolet Light
27. Water Pollutants

### III. Environments

28. Child Care Settings
29. Preconceptional and Prenatal Exposures (*new in 2nd Edition*)
30. Schools
31. Waste Sites
32. Workplaces

### IV. Complex Situations

33. Arts and Crafts
34. Asthma
35. Cancer
36. Chemical-Biological Terrorism (*new in 2nd Edition*)
37. Environmental Disparities
38. Multiple Chemical Sensitivities
39. Nontherapeutic Use of Antibiotics in Animal Agriculture (*new in 2nd Edition*)
40. Environmental Threats to Children's Health in Developing Countries (*new in 2nd Edition*)

### V. Communicating About Environmental Health

41. Communicating About Risk
42. Environmental Health Advocacy (*new in 2nd Edition*)
43. Risk Assessment and Risk Management (*new in 2nd Edition*)

### Appendices

- A. AAP Policy Statements from the Committee on Environmental Health
- B. Resources for Environmental Health
- C. Curricula for Environmental Education in Schools
- D. Common Abbreviations
- E. Chairs of the AAP Committee on Environmental Health
- F. AAP Patient Education Materials Related to Environmental Health Issues
